

Spirit Lake Scrip

The scrip program does not require any fundraising...it's making money while you do your everyday shopping...without costing you an extra cent! It's really that easy!!

WHAT IS SCRIP?

Scrip cards are "shopping cards" or "gift cards". When you use SCRIP cards instead of cash, checks or credit cards, you are fundraising while you shop (in stores or online shopping). Spirit Lake Scrip offers HUNDREDS of national and local retailers to choose from...here are just a few examples: grocery stores (Hyvee, Fareway, Walmart), restaurants (Family Diner, DQ, Pizza Ranch, Olive Garden, Starbucks, Hey Good Cookies, etc), gas stations (Shell, Caseys, Kum & Go), clothing (American Eagle, Gap, Penneys, Scheels, Dicks Sporting Goods, Cabelas, Lands End, etc), beauty (Faust, Cali Nails, Natural Nails, Okoboji Skin Care) and so many more!!

HOW DOES THE PROGRAM EARN MONEY?

These retailers have contributed anywhere from 2%-30% of their face value back to our program. This percentage is how our program earns money. The money earned helps fund needs throughout the district.

HOW DO I PLACE AN ORDER?

The easiest way to begin using the scrip program is to set up an account on shopwithscrip.com. You will need to use our Spirit Lake Enrollment Code: **515CDA572L711**. Once your account is set up, you can begin placing orders and earning money while you shop! Scrip is also available to purchase on Friday mornings in the elementary lobby from 7:45-8:30 AM. You may also text orders to 712-330-0176 or email orders to spiritlakescrip.com.

PAYMENT

When you order online, we ask that you use the Presto Pay option, which will automatically deduct your payment from your bank account. If this option does not work for you, you may pay by check.

HOW DO YOU RECEIVE YOUR SCRIP CARDS?

Orders can be picked up on Friday mornings at the scrip table in the elem. Lobby or at any school office on any other day of the week. We do understand that there are "last minute" needs and we are more than happy to do what we can to fill those. For example, if you decide to head out for dinner or plan a last minute shopping trip and need shopping cards...it's very possible to get the scrip cards the same day.

INVENTORY SCRIP/RELOADABLE SCRIP AND SCRIP NOW!

The SCRIP program offers three types of SCRIP. Although we carry a lot of physical inventory, we are unable to be stocked up on scrip cards from every retailer. To view the cards that we carry on hand in our inventory, go to "BESTSELLERS" at shopwithscrip.com or view our order form (attached). All other retailers are available to order, but may take longer to receive due to ordering time (we try to order once a month to save on shipping costs). The other two options for scrip are "SCRIP NOW" AND "RELOADABLE". With both these options, you will not receive a physical card, but you will receive an online code to either add more money to an existing card or receive an email code which is great for online shopping!

QUESTIONS??

I know this is a lot of information and I know there will be questions! I welcome any phone calls (330-0176) or emails (spiritlakescrip@gmail.com). This may all sound confusing and complicated but once you begin using the program and get in the habit of using SCRIP cards for your purchases, you will see the rebates add up and you will save money in the long run!!!
